Taking Steps Against Child Abuse Walk-A-Thon

The Walk-A-Thon

This inaugural walk-a-thon for the Child Abuse Prevention Center is being held to raise awareness about how each of us can help prevent child abuse and neglect. The much needed funds will go towards community education and helping vulnerable families.

The day includes: a 5k(3.2 Mile) walk, a 1/2 Mile "Tot-Trot/Senior Stroll," T-shirts, refreshments, prizes, giveaways, music, activities and events at the completion of the walk.

**APRIL IS CHILD ABUSE PREVENTION
AWARENESS MONTH
YOU CAN MAKE A DIFFERENCE**

Since 1982 The Center has provided child abuse prevention services to over 6,000 families throughout Westchester County. Our primary program is the **Parent Aide Program**, a home visiting child abuse prevention program that teams trained Parent Aide volunteers with families who are struggling with parenting. We also reach out to families in many other ways: through community education, parenting workshops, support groups, and a 24/7 Parent Helpline.
